

NOTICE OF COMMON COUNCIL HEARING TO
DISCUSS THE SILVER LAKE SHORELINE BUFFER
TOTAL MAXIMUM DAILY LOAD PROJECT

The Rochester Common Council will hold a public hearing at 7:00 P.M., on Monday, April 16, 2007, in the City/County Board Chambers of the Government Center, 151 Fourth Street S.E., to discuss the installation of a native vegetation buffer along the shoreline in Silver Lake Park to reduce fecal coliform bacteria loading to the lake. A Storm Water Project Plan (SWPP) has been prepared that describes the project and its pollutant reduction estimates. Paper copies of the SWPP are available for public review at the Rochester Public Library (101 2nd St. SE) and the Rochester Public Works Department (201 4th St. SE, Rm 108). The SWPP may also be viewed on line at: <http://www.rochestermn.gov/departments/park/Construction/index.asp>. Public testimony on the SWPP and the buffer project are welcome.

Judy Scherr
City Clerk
